## Who can receive a scholarship for continuing education?

A scholarship for continuing education can be received by a person who:

1. is registered as an unemployed person in the Poviats Labour Office and
2. does not have any vocational qualifications and
3. started further education in the following schools within **12 months after registration**:
4. in a secondary school for adults (a public or non-public school with the public school accreditation) **or**
5. at a university where they attend a part-time course (evening or extramural one).

**Note!** The grant is payable provided you do not exceed the income limit per one household member, authorising to receive social welfare benefits.

## How long can you receive the scholarship for continuing education?

The grant can be received for 12 months after you have started your education.

**Note!** A starost can decide to continue payment of your grant until you complete the course in line with the curriculum.

The grant value is 100% of the unemployment benefit.

**Note!** You can continue your grant if you commenced employment, but the benefit will be **reduced** to 20% of the unemployment benefit.

## What should you do to obtain the grant for further education?

A person interested in receiving the grant should file an application in the Poviats Labour Office where they are registered.

**Note!** To receive the scholarship, you should submit a certificate issued by the school to the Labour Office or prepare your own statement of starting or continuing your education.
